

Revolutionary hair dryer complete with magnetic docking station for a fast, efficient and frizz-free hair drying experience.

Featuring a high-speed brushless motor, the Hair dryer is designed to last longer and dry hair faster and more efficiently than traditional dryers. Equipped with negative ion technology and intelligent heat control, the hair dryer helps fight frizz whilst promoting hair health, guaranteeing salon perfect results every time.

Fed up of tangled cords or wasting precious drawer space? Say goodbye to the chaos and transform your space with our stylish magnetic docking station. Offering easy access and organisation, it also includes a magnetic styling nozzle for a flawlessly smooth and silky finish.

- Pearlescent White
- Gunmetal Grey

Technical Specification	
Voltage	220-240v /50Hz
Rated power	1400w
Net weight (dryer only)	480g
Gross weight	1.19kg
D x W x H	63 x 172 x 296mm
Noise level (Low speed)	59dB at 1m
Noise level (High speed)	62dB at 1m
Cover material	ABS, PC & Aluminum
Airflow	20 m/s

Electrical Specification	
Rated current	4.0A
Motor speed	110,000RPM
Cable length	1.8m

Safety Features	
Motor Protection	
Thermal Element protection
